

## THANK YOU FOR DONATING IN 2017!

On behalf of the entire Respecting Choices® team, we want to extend a heartfelt thank you for your gift to the Respecting Choices program.

As you know, it is the vision of Respecting Choices *to transform healthcare culture by integrating and disseminating best practices to achieve person-centered care; care that honors individuals' goals, values, and dignity.*

This vision would not be possible without you and other supporters. The commitment to ensuring individual care preferences are honored and that care received is always respectful, dignified, and aligned with their wishes. Your donation will help support these goals.

We appreciate your endorsement of the program and your willingness to support the mission of Respecting Choices *to guide organizations and communities worldwide to effectively implement and sustain evidence-based systems that provide person-centered care.* It is an honor to have your commitment to the program. You are truly appreciated.

Warmest regards,
