We are the provider of the program, but we do not endorse any commercial products in conjunction with this program. Off-label use of any products will not be discussed.

Disclosure

Speakers and planners are required to make disclosure of any relevant financial relationships, which may be related to the subject matter discussed. The speakers and planners for educational activities have made proper disclosure and have no relevant financial relationships that exist now or in the past 12 months.

Target Audience

The target audience is interprofessional and includes primary care physicians, all specialty physicians, allied health providers, physician assistants, nurse practitioners, nurses, pharmacists, social workers, clergy/faith leaders, community volunteers/leaders, attorneys, and others involved in advance care planning (ACP).

The online course is intended for two groups:

- Those individuals who are working toward certification as ACP Facilitators (i.e., First Steps® [FS], Next Steps [NS], and Last Steps® [LS])
 - The online course is a prerequisite for those intending to complete their certification by attending Respecting Choices FS, NS, or LS ACP certification classroom courses.
- Those individuals interested in learning about the RC approach to ACP facilitation
 - Completion of this online course does not qualify as certification as a RC ACP Facilitator.

Commercial Support

No commercial support was used in creating enduring material or course materials.
