Stephanie Anderson, DNP, RN
Deputy Executive Director
Knowing and Honoring Preferences and Decisions

“Care that is respectful of and responsive to individual patient preferences, needs, and values, ensuring that patient values guide all clinical decisions”

Person-Centered and Family-Oriented Care

Advance Care Planning
Preparing for future healthcare decisions

Person-Centered Decision Making

Shared Decision Making in Serious Illness
Making current healthcare decisions
The national Respecting Choices® program was developed with support from Gundersen Medical Foundation in La Crosse, WI.

C-TAC Innovations is a nonprofit affiliate of C-TAC devoted to implementing delivery systems for advanced illness and assuring that people receive care matching their preferences and values.

Respecting Choices...
A Division of C-TAC Innovations

C-TAC Innovations is a nonprofit affiliate of C-TAC devoted to implementing delivery systems for advanced illness and assuring that people receive care matching their preferences and values.

The Coalition to Transform Advanced Care (C-TAC) is dedicated to the idea that all Americans living with serious illness receive high-quality, person-centered care that aligns with their values and honors their dignity.
